

Slim Man—singer, songwriter, jolly good fellow—shows you how to cook his favorite dishes, a combination of his own creations, his take on Italian classics, and some Slim Family favorites.

All 52 recipes start with stories—funny stories about his wonderfully crazy Italian family, his wild ride on the music biz rollercoaster, and his canine sidekick, Batu.

Most of the recipes have QR codes; you scan them with your phone and watch quick cooking videos of Mr. Man showing you what to do.

A *Sweet Sixteen* CD—physical or digital—is included free with every cookbook. It's a collection of the top 16 Slim Man songs. The Sweet Sixteen!

The dishes are scrumptious and imaginative, the stories are intriguing and amusing, and the music is...

“A near-perfect example of how jazz and soul can be combined as pop.”
JD Considine (Rolling Stone)

Slim Man lives in Palm Springs, California, at Slim's Shady Trailer Park, where he makes music, cooks, and herds goats.
